The Experimental Therapeutics Program of the UFHCC
Presents
UF Health Cancer Center Grand Rounds

“Cancer and the Proteostasis Machinery: Attacking the Housekeepers”
Len Neckers, PhD
Urologic Oncology Branch
Center for Cancer Research
National Cancer Institute
Bethesda, MD
Wednesday, February 11, 2015
12:00 – 1:00 pm

Communicore C1-4 PLEASE NOTE NEW LOCATION
Videostreaming http://mediasite.video.ufl.edu/Mediasite/Play/6f4d9fe114fb436388e1001010ada0d01d

LEARNING OBJECTIVES:
Upon completion of this activity, participants should be able to:

1) Describe the reasons that make cancer dependent on cellular proteostasis
2) Recognize the importance of Hsp90 to cancer
3) Recognize why targeting of Hsp90 may provide benefit in cancer treatment

Speaker Disclosure:
Len Neckers has disclosed that he has no relevant financial relationships. No one else in a position to control content has any financial relationships to disclose.

Accreditation: The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit: The University of Florida College of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
