A Special Thanks!
STOP! Children's Cancer
Holiday Traditions Concert

A huge thank you to all who attended holiday traditions concert on December 9th to support STOP! Children's Cancer. As always, the show exceeded all expectations as the youth in our community performed for all our enjoyment to support the UF Health Cancer Center. One of the soloists was a survivor herself and brought tears to all as she sang.

Another touching moment was when Dr. Slayton and several young children helped to decorate the Christmas tree. However, the most heartwarming was when a precious little girl of about 3 with no hair but a red Christmassy dress danced around in the finale, trying to catch the snowflakes falling, as the youth orchestra played "We wish you a Merry Christmas!"

The VIP after party was celebratory and fun with wine and Carrabba’s delicious food.

Next year will be our 23rd year of ‘kids helping kids’. We hope to see all of you there.

Jim and I wish all a happy holiday and above all, a healthy new year!!

Cheers, Marilyn Nye - Islam
Year-End Giving Opportunity

UF Health and the UF Health Cancer Center are pleased to announce the creation of the Partners in Medicine Giving Society! This prestigious society celebrates your generosity and commitment to cancer research, treatment, and education at the University of Florida through annual gifts. Annual gifts are vital to sustaining excellence in our core missions and supporting organizational priorities.

As the end of the year approaches, we ask you to continue your tradition of support for the UF Health Cancer Center by making a commitment of $1,500 to any cancer related fund of your choosing. To select a fund, please visit https://www.uff.ufl.edu/cancer-center/ or contact Carre Mitchell at 352-733-0490 or csaunders@ufl.edu for assistance. Thank you for your support!
