Friday, December 6, 2019
3:00 pm - 6:30 pm Workshop
6:30 pm - 8:30 pm Reception

University of Florida Research and
Academic Center at Lake Nona
Auditorium
Orlando, Florida
10 minutes away from MCO

Free Registration is open at : <https://cancer.ufl.edu/8th-annual-bmt-winter-workshop>

We encourage you to share this announcement with colleagues who may be interested in attending.

The University of Florida Health Cancer Center is proud to host the 8th Annual BMT Winter Workshop. The event will occur prior to the 61st Annual Meeting of the American Society of Hematology (ASH). This informal meeting is formatted as previous workshops with numerous short talks on late-breaking research in bone marrow transplant. Presenters will discuss recent clinical and pre-clinical data pertinent to hematopoietic stem cell transplantation and cell therapy (TCT).

The Lake Nona venue is conveniently located 10 minutes from the Orlando International Airport (MCO) and less than 30 minutes from the 61st Annual ASH Meeting, which will occur at the Orange County Convention Center (OCCC).
