

## BIostatISTICS & BIOinformatics WALK-IN CLINIC

Here to help you conduct  
statistically sound research

**Every Tuesday**

**12:00-1:00 p.m.**

<https://ufl.zoom.us/j/92866440373>

**Contact: Zhanna Galochkina, M.S.**  
**[z.galochkina@ufl.edu](mailto:z.galochkina@ufl.edu) | 352-273-6906**

<https://cancer.ufl.edu/research/shared-resources/biostatistics-core/events/bb-winc>

### Possible Topics:

- Study Design
- Sample Size Calculation
- Optimal Data Management
- Data Analysis Plan
- R Programming Tutorial
- State-of-the-Art Graphical Illustration

### About Us

The University of Florida Health Cancer Center Division of Quantitative Sciences & Biostatistics & Computational Biology Shared Resource provide biostatistical leadership and quantitative analytic collaborative support to members of the UF Health Cancer Center.

*Sponsored by the UF Health Cancer Center Division of Quantitative Sciences & Biostatistics and Computational Biology Shared Resource*
