"Breaking Down Pancreatic Cancer"

Jen Jen Yeh, M.D.
Oliver Smithies Investigator
Professor, Departments of Surgery and Pharmacology
Vice Chair for Research, Department of Surgery
Director Pancreatic Cancer Center of Excellence,
Co-Associate Director of Education,
Co-Program Leader, Clinical Translational Research Program,
Lineberger Comprehensive Cancer Center

LEARNING OBJECTIVES:

Upon completion of this activity, participants should be able to:

1. Name the current first-line therapies for pancreatic cancer
2. Recognize differences in molecular subtyping schemas for pancreatic cancer
3. Recognize the promising relationship between treatment response and molecular subtypes

Speaker Disclosure:
Dr. Yeh has disclosed that she has received consulting fees from Advanced Chemotherapy Technologies, Inc, and is associated with Genecentric Technologies. No one else in a position to control content has any financial relationships to disclose. Conflict of interest information for the CME Advisory Committee members can be found on the following website: https://cme.ufl.edu/disclosure/. All relevant financial relationships have been mitigated.

Accreditation: The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit: The University of Florida College of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
