"Nonoperative Management in Rectal Cancer: Waste of Time or Worth the Wait?"

J. Joshua Smith, M.D., Ph.D., F.A.C.S.

Associate Member,
Attending Surgeon for Colorectal Service,
Department of Surgery,
Memorial Sloan Kettering Cancer Center

LEARNING OBJECTIVES:
Upon completion of this activity, participants should be able to:
1. Discuss the modern management for patients with locally advanced rectal cancer
2. Discuss modern trials utilizing total neoadjuvant therapy for rectal cancer patients
3. Discuss appropriate use of nonoperative management for patients with rectal cancer after neoadjuvant therapy

Speaker Disclosure:
Dr. Smith has disclosed that he is a consultant to Foundation Medicine Inc. (2022) and Johnson & Johnson Inc. (2022). No one else in a position to control content has any financial relationships to disclose. Conflict of interest information for the CME Advisory Committee members can be found on the following website: https://cme.ufl.edu/disclosure/. All relevant financial relationships have been mitigated.
